ANNUAL REPORT  
2024-2025

*Helping towards a better future*

وَالَّذِينَ صَبَرُوا ابْتِغَاءَ وَجْهِ رَبِّهِمْ وَأَقَامُوا الصَّلَاةَ  
وَأَنْفَقُوا مِمَّا رَزَقْنَاهُمْ سِرَّاً وَعَلَانِيَةً وَيَدْرَءُونَ  
بِالْحَسَنَةِ السَّيِّئَةَ أُولَئِكَ لَهُمْ عُقْبَى الدَّارِ

اور وہ لوگ جنہوں نے صبر کیا رضا مندی تلاش کرنے کے لیے اپنے رب کی اور انہوں نے قائم کی نماز اور خرچ کیا اس میں سے جو ہم نے انہیں رزق دیا پوشیدہ اور ظاہر اور وہ دور کرتے ہیں اچھائی کے ساتھ برائی کو یہ لوگ ان کے لیے (بہتر) انجام ہے آخرت کا۔

"And those who are patient, seeking the pleasure of their Lord, and establish prayer, and spend out of what We have provided for them secretly and openly, and repel evil with good — for them is the excellent outcome of the home (in the Hereafter)."

# GEOGRAPHICAL PRESENCE OF KIRF IN AZAD KASHMIR

## MAP OF AZAD JAMMU & KASHMIR

# KASHMIR INTERNATIONAL RELIEF FUND (KIRF)

## INTRODUCTION

Kashmir International Relief Fund (KIRF) is a non-governmental organization dedicated to providing humanitarian aid and support to the poor and unprivileged segments of society in rural and far-flung areas of Azad Jammu and Kashmir. Established in 1992, KIRF has been working tirelessly to uplift the lives of those in need, providing emergency relief, healthcare services, education, and livelihood support. KIRF also focuses on empowering women through vocational training and other initiatives, enabling them to become self-sufficient and contribute to their communities. With a strong commitment to serving humanity, KIRF continues to make a positive impact in the lives of thousands of people, striving to create a brighter future for the communities it serves.

## AIMS & OBJECTIVES

1. To provide humanitarian aid and assistance to the poor and needy people of Azad Jammu and Kashmir, particularly in rural and far-flung areas.
2. To promote healthcare services, including provision of medical treatment, healthcare facilities, and health education.
3. To provide emergency relief and support to victims of natural disasters, conflicts, and other crises.
4. To promote education and vocational training, particularly for women and children, to empower them and enhance their socio-economic status.
5. To support livelihood initiatives and provide economic opportunities to marginalized communities.
6. To work towards the empowerment of women and girls, and to promote their participation in decision-making processes.
7. To collaborate with local and international organizations, governments, and stakeholders to achieve its objectives.

# VISION

KIRF is dedicated to provide health care and education to community and innovative programmes especially to empower women to achieve self sufficiency in the rural and far flung areas of Azad Kashmir.

## OUR VALUES

KIRF is guided by the following core values:

## **Compassion:**

We are committed to providing humanitarian assistance with empathy and kindness.

### Integrity:

We operate with transparency, accountability, and honesty in all our endeavors.

## Respect:

We respect the dignity and worth of every individual, regardless of their background or circumstances.

## Empowerment:

We strive to empower communities to take ownership of their development and become self-sufficient.

## Partnership:

We believe in collaborating with local and international organizations to achieve our goals.

## Humanity:

We prioritize the well-being and safety of the people we serve, and work to alleviate their suffering.

## MISSION

" To empower vulnerable communities in Azad Kashmir, fostering self- sufficiency, dignity, and resilience through comprehensive health care, education, and economic development initiatives, driven by compassion, integrity, and sustainability".

# HISTORY OF KIRF

## History of Kashmir International Relief Fund (KIRF)

Kashmir International Relief Fund (KIRF) has a rich history of serving humanity and providing humanitarian aid to those in need. Established in the early 1990s, KIRF has been working tirelessly to uplift the poor and unprivileged segments of society in rural and far-flung areas of Azad Jammu and Kashmir.

### Early Beginnings (1992)

KIRF's journey began in March 1992, when a group of Kashmiris residing in the UK visited the control line of Azad Jammu and Kashmir and witnessed the dire living conditions of people affected by Indian army firing. Moved by their plight, they established the Kashmir Welfare Association, which later evolved into KIRF.

### Humanitarian Work

Over the years, KIRF has provided relief to migrants in camps, distributed food and clothing to those in need, and initiated projects to provide drinking water schemes, primary schools, and housing support to communities. KIRF has also collaborated with international partners to provide medical assistance and vocational training to women.

### Healthcare Services

KIRF's healthcare initiatives began with running a healthcare unit at Douwarian, District Athmuqam, in collaboration with the Government of Azad Jammu and Kashmir. Additionally, KIRF supplied medicines to BHU Pattikka, District Muzaffarabad, on a monthly basis for patients. KIRF also organized free medical camps and eye camps in different areas of Azad Jammu and Kashmir, starting from 1998, to provide medical care to those in need.

### Qurbani Project

KIRF has been implementing Qurbani projects on Eid ul Adha, distributing meat to poor people in far-flung areas, ensuring that they benefit from this sacred occasion.

### Registrations

KIRF is registered with the following authorities:

- Industrial Department, Government of Azad Jammu and Kashmir (2003)
- Azad Jammu and Kashmir Council (2005)
- Social Welfare Department, Government of Azad Jammu and Kashmir (2022), Registration # DSW/NGO/Cert/67/2022
- AJ&K Charities Commission (2023), Registration # AJKCC/002/2023

### KIRF Community Hospital Jatlan

One of KIRF's most notable achievements is the establishment of the KIRF Community Hospital Jatlan. Founded by Mr. Ishfaq Ahmed, the hospital's foundation stone was laid on March 31, 2003, by Sardar Muhammad Anwar Khan, the then President of Azad Jammu and Kashmir. The hospital became operational on October 1, 2005.

## **Post-Earthquake Relief and Rehabilitation (2005)**

Following the devastating earthquake on October 8, 2005, KIRF provided emergency relief to affected communities in District Rawalakot, Muzaffarabad, and Bagh. KIRF supported the rehabilitation of affected families by providing over 2,000 shelter homes to families in Bagh and Pattikka.

## **Rehabilitation in Samwal Sharif (2006)**

In 2006, KIRF supported the rehabilitation of earthquake-affected families in Samwal Sharif and its surroundings, providing financial assistance to rebuild damaged homes.

## **Earthquake Response in Jatlan (2019)**

When a powerful earthquake struck Mirpur District on September 24, 2019, KIRF Community Hospital Jatlan played a vital role in providing emergency medical services, which helped survive precious lives of injured victims. The hospital's timely medical intervention saved countless lives, and KIRF also provided emergency relief to affected families, including drinking water, food items, and tents, and supported their rehabilitation with financial assistance in collaboration with PakTrust London and Waltham Forest Islamic Association London.

## **Kidney Dialysis Centre Jatlan**

KIRF established a Kidney Dialysis Centre in Jatlan, with construction starting in 2020 and an opening ceremony held on June 10, 2021. The Centre provides free dialysis facilities to kidney failure patients.

## **Flood Relief in Rajanpur (2022)**

During the 2022 floods, KIRF responded to the needs of affected communities in Rajanpur District. A team of volunteers provided medical treatment, meals, and mosquito control measures to prevent malaria. KIRF also installed 50 hand pumps and provided shelter to 50 families.

## **Continued Commitment**

Today, KIRF continues to work tirelessly to serve humanity and provide humanitarian aid to those in need. With a strong foundation built over the years, KIRF remains committed to its mission of uplifting the poor and unprivileged segments of society in rural and far-flung areas of Azad Jammu and Kashmir.

## **Dissolution Of KIRF UK and Partnership with Paktrust London**

Due to internal dispute among trustees, KIRF was dissolved in the UK. However, to continue fundraising efforts, a Memorandum of Understanding ( MOU) was signed with Paktrust London on October 30, 2019. This partnership enables KIRF to receive funding and remittances from the UK to support its humanitarian work in Azad Jammu and Kashmir.

*Message*

As I complete the first year of my term as President of KIRF (2024-2027), I'm proud to reflect on the progress we've made. During this period, we have enhanced our medical care services by acquiring an additional kidney dialysis machine and an ultrasound machine from our self-generated funds. We have established a full-fledged radiology department in our hospital and improved the hygiene standards at our Kidney Dialysis Centre.

Was pleased to distribute certificates to the female students of KIRF VTC Mian Muhammad Town Mirpur who completed their courses. Furthermore, we expedited the construction of the 1st floor of our Kidney Dialysis Centre.

Looking ahead to the second year of my term, I am confident that with support of our donors we will Insha Allah inaugurate the Paramedics & Nursing Teaching Centre project. I extend my heartfelt gratitude to our honourable donors, including Paktrust London, Waltham Forest Islamic Association London, Ilford Islamic Association London, Management of Holloway Mosque London, Malik Amanat Ali, Mr. Abdul Raoof Malak Qureshi, and the Muslim Community of Bristol, for their trust and support.

I also appreciate the dedication of my colleague members, volunteers, and staff of KIRF, and look forward to their continued support. Thank you.

Mehmood Ahmed Raza  
President KIRF

- Creating awareness to enable them to secure their legitimate rights and providing training to face emergencies and calamities.

## IV. EMERGENCY RELIEF

Providing emergency relief to the effected people in case of natural disasters especially in floods and earth quakes.

## V. WATER SUPPLY SCHEMES

To provide clean water to the people through launching water supply schemes.

# ONGOING PROJECTS

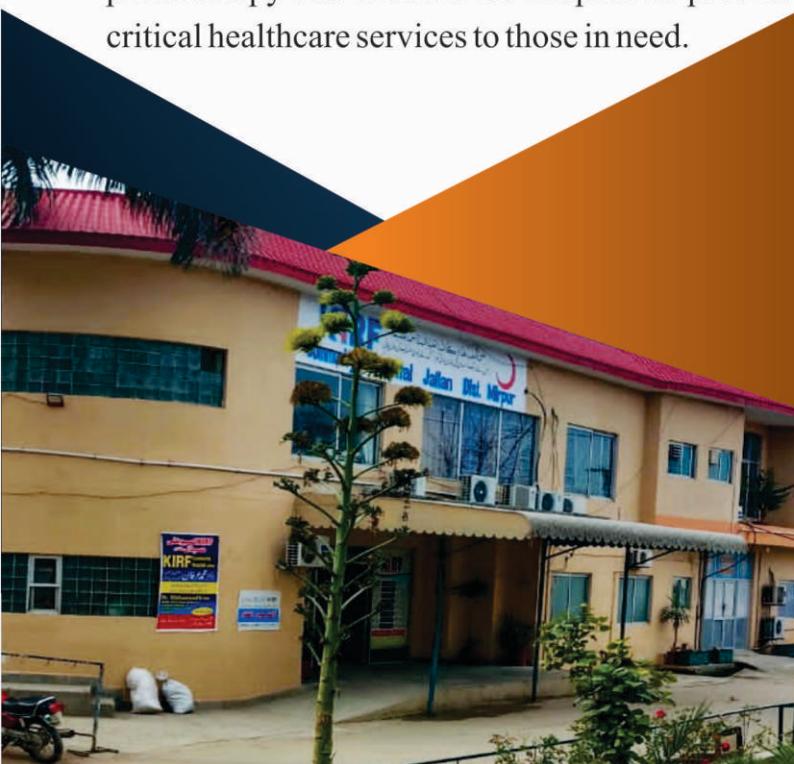

## HEALTH

### KIRF Community Hospital Jatlan

Located at the confluence of District Mirpur, District Bhimber, Azad Kashmir, and District Jhelum and Gujrat of Punjab, KIRF Community Hospital Jatlan is a 70-bed hospital that serves as a vital healthcare hub for the surrounding communities. With its foundation laid on March 31, 2003, and operationalized on October 1, 2005, the hospital has been providing essential healthcare services to over 200,000 people from approximately 150 villages and hamlets in the four districts.

#### A Testament to Donor Generosity

The hospital's establishment was made possible through the generosity of donors, with 90% of the construction cost contributed by overseas Kashmiri and Pakistani donors residing in the UK. This remarkable example of philanthropy has enabled the hospital to provide critical healthcare services to those in need.

## A BEACON OF HOPE

- 12. Operation Theater:**  
Providing a sterile and safe environment for surgical procedures.

## Accessible and Affordable Healthcare

The hospital's commitment to providing accessible and affordable healthcare is reflected in its policy of offering free services and medicines to poor families, while providing subsidized services to others. This initiative ensures that everyone, regardless of their social position, can receive quality medical care.

## A Lifeline for the Community

KIRF Community Hospital Jatlan is a lifeline for the communities it serves, providing essential healthcare services and support to those in need. The hospital's dedication to delivering high-quality patient care has made it a trusted and respected institution in the region.

# KIRF *Volunteers*

Volunteers are the lifeblood of Kashmir International Relief Fund (KIRF), playing a vital role in delivering humanitarian aid and services to those in need. Our volunteers are passionate individuals who share our commitment to serving humanity and making a positive impact in the lives of others.

### Importance of Volunteers

Volunteers are essential to KIRF's operations, contributing in various ways, including:

#### 1. Service Delivery:

Volunteers help deliver essential services, such as healthcare, education, and emergency relief, to communities in need.

#### 2. Community Engagement:

Volunteers engage with local communities, promoting KIRF's mission and values, and building relationships with community leaders and members.

### THE BACKBONE OF KIRF

#### 3. Fundraising:

Volunteers participate in fundraising efforts, helping to secure resources and support for KIRF's programs and initiatives.

#### 4. Awareness Raising:

Volunteers help raise awareness about social issues and causes, promoting advocacy and community mobilization.

### Appreciation and Recognition

KIRF would like to express its deepest gratitude to its volunteers for their tireless efforts and dedication. Their contributions are invaluable, and we recognize the significant impact they make in the lives of those we serve.

Thanks, for being an integral part of the KIRF team.

# Blood Bank

A blood bank is a facility that collects, stores, and distributes blood and blood products to hospitals and medical facilities. The primary function of a blood bank is to provide a safe and adequate supply of blood to patients who require transfusion due to various medical conditions, surgeries or emergencies.

KIRF Established Blood Bank and Blood Donation Group. In line with its commitment to community service and healthcare, the management of KIRF has taken a significant step by establishing a blood bank. This initiative aims to provide a safe and reliable source of blood for patients in need.

## KIRF Blood Donation Group

To support this effort, a blood donation group has been formed under the supervision of:

**Mr. Shahzaib Kiyani,**  
Lab. Technician

**Haji Shahid Iqbal**  
Secretary Information, KIRF

The group will work tirelessly to promote blood donation, organize donation drives, and ensure the smooth operation of blood bank.

## Inauguration of Ultrasound Department At KIRF Community Hospital Jatlan

On December 14, 2024, KIRF Community Hospital Jatlan, District Mirpur, Azad Kashmir marked a significant milestone with the Inauguration of its Ultrasound Department. The ceremony was graced by Dr. Faisal Bashir, Principal of Benazir Medical College Mirpur, who formally launched the ultrasound machine.

Dr. Faisal Bashir commended KIRF's efforts in providing healthcare services to rural communities and pledged support from Medical College. He assured that specialists doctors would visit the Community Hospital to offer their expertise. Medical Director Dr. Abdul Qudus Akhtar highlighted the importance of ultrasound system and other medical services being provided by KIRF.

President KIRF, Mehmood Ahmed Raza, expressed gratitude to Dr. Faisal Bashir for his presence and thanked all attendees. He emphasised KIRF's commitment to developing the hospital's capabilities, including the establishment of Gynaecology, Paediatrics, Endoscopy, Nursery for premature newborns, X-ray, Orthopedics, Laboratory, and now Ultrasound Department. He reiterated KIRF's mission to provide accessible medical care to rural communities.

The ceremony was attended by KIRF members, volunteers, local community leaders, District Councillor Mirza Muhammad Ilyas, and Chairman Union Council Jatlan Malik Mazhar Iqbal Awan. President KIRF extended special thanks to donors who have enabled the organisation to offer free healthcare services to those in need.

# Free Medical Camp

## For Orphan Children

KIRF, in collaboration with Alkhadimat Foundation Azad Kashmir, organized a free medical camp on November 22, 2024, at KIRF Community Hospital Jatlan. The camp provided essential medical care services to orphan children, highlighting the commitment of both organizations to serving vulnerable communities.

### Key Highlights

\* 200 orphan children received medical care and treatment from a team of dedicated medical professionals from KIRF.

\* The medical team, comprising Dr. Muhammad Irfan (Child Specialist), Dr. Hassan Jan (Medical Officer), and Dr. Manazar Hussain (Medical Officer), all part of the KIRF staff, examined the patient children and provided quality medical care.

\* Medicines and relevant medical tests were provided free of charge to the patient children.

\* The staff of KIRF Community Hospital Jatlan played a vital role in delivering quality medical services to the orphan children.

### Appreciation:

The guardians of the orphan children expressed their heartfelt gratitude to Alkhadimat Foundation and KIRF management for organizing the free medical camp. The event was a testament to the power of collaboration and the impact that can be achieved when organizations work together to serve those in need.

# KIRF Kidney Dialysis Centre Jatlan

## Services & Facilities

The centre offers free dialysis services, including:

Free dialysis treatment

Free medicines

Transfusion of blood

Our facility is equipped with 11 kidney dialysis machines, catering to patients with different needs:

5 machines for Hepatitis-free patients

5 machines for Hepatitis C patients

1 machine for Hepatitis B patients

Located within the premises of Community Hospital Jatlan, Azad Kashmir, KIRF Kidney Dialysis Centre Jatlan is a state-of-the-art facility dedicated to providing life-saving dialysis services to patients in need. Established on June 10, 2021, the centre has grown to become a vital healthcare resource for the community.

## Our Mission

At KIRF, our mission is to bridge the gap between patients and quality healthcare services. We strive to provide accessible, compassionate care to those in need, regardless of their social status. Our objectives include:

- Providing free dialysis services to all patients.
- Equipping our facility with state-of-the-art equipment and well-trained staff
- Conducting community outreach sessions to raise awareness about kidney health and promote prevention measures

## Patients Dialysis Details

Duration	Normal	Hep B+ve	Hep C+ve	Total

## Joint Venture Project

KIRF Kidney Dialysis Centre Jatlan is a joint venture project between Kashmir International Relief Fund (KIRF) and PakTrust London, with PakTrust London regularly arranging fundraising events to support the operational costs of the centre. The centre was initially equipped with 4 kidney dialysis machines donated by Waltham Forest Islamic Association London and 1 machine donated by PakTrust London.

## Acknowledgments

We are grateful for the generous support of:

Al-Falah Welfare Trust (Pakistan) for the building

Waltham Forest Islamic Association London and PakTrust London for dialysis machines

Ilford Islamic Association London, management of Holloway Mosque London, and other philanthropists for regular funding

## The Need

Unfortunately, kidney disease is on the rise in Azad Kashmir, and expensive treatment options make it challenging for patients to access quality care. Our centre aims to address this need by providing accessible, quality dialysis services to those in need.

By providing life-saving treatment and promoting kidney health awareness, KIRF Kidney Dialysis Centre Jatlan is making a significant impact in the lives of patients and their families.

# Event

## 4TH Anniversary of KIRF Kidney Dialysis Centre Jatlan

On June 10, 2025, the KIRF Kidney Dialysis Centre Jatlan marked a significant milestone, completing four years of operation.

To commemorate this achievement, a ceremony was held at the centre, where President Mehmood Ahmed Raza expressed gratitude to the generous donors who have enabled the centre to provide free dialysis services to patients with kidney failure. Notably, the centre not only offers complimentary dialysis but also provides free blood transfusions and medication.

Mr. Raza congratulated the donors and acknowledged the tireless efforts of the medical staff in delivering exceptional care to patients. Medical Director Dr. Abdul Qudus Akhtar highlighted the centre's accomplishments, revealing that over the past four years, 11,310 dialysis sessions have been conducted. He attributed this success to the kindness of individual donors and partner organisations, including Paktrust London, Waltham Forest Islamic Association London, Ilford Islamic Association London, and Al-Falah Welfare Trust.

During the ceremony, patients and their families praised the centre's services and staff. The event was attended by members, volunteers, family members of patients, and staff, culminating in a cake-cutting ceremony.

# Project in Pipeline

## Paramedics and Nursing Teaching Centre Project

During 2023, Malik Amanat Ali, prominent businessman from Bristol, visited KIRF's healthcare facilities and was impressed by the organisation's commitment to providing free kidney dialysis services to patients in need. Inspired by KIRF's mission, Malik Amanat Ali decided to support the organisation and, in collaboration with Mr. Abdul Raoof Malak Qureshi, organised a fundraising dinner in Bristol UK, which successfully raised Rs. 10,000,000 for the construction of the 1st floor building of the kidney dialysis centre.

The KIRF management utilised these funds to initiate the construction of the Paramedics and Nursing Teaching Centre, contracting Kataria Engineering for the project. This centre will serve as a vital resource for training paramedics and nurses, addressing the healthcare workforce needs in rural communities.

Malik Amanat Ali and Mr. Abdul Raoof Malak Qureshi are continuing their fundraising efforts for the project, and the completion of the building is now in final stage.

# Importance and Benefits:

The Paramedics and Nursing Teaching Centre will have a significant impact on:

## Rural Communities:

By training more healthcare professionals, the centre will improve access to quality healthcare services in rural areas, reducing healthcare disparities and improving health outcomes.

## State of Azad Jammun and Kashmir:

The centre will contribute to the development of a skilled healthcare workforce, enhancing the overall healthcare system in the region.

## Students:

The centre will provide opportunities for students to pursue careers in paramedics and nursing, both locally and internationally, addressing the shortage of skilled healthcare professionals and enabling them to contribute to the healthcare sector globally.

## The centre will play a vital role in:

### Addressing Workforce Shortage:

By training more healthcare professionals, we can reduce the shortage of skilled healthcare workers in the region.

### Increasing Opportunities:

The centre will provide students with opportunities to pursue careers in paramedics and nursing, enhancing their employability and enabling them to make a difference in their communities.

This project aligns with KIRF's mission to provide quality healthcare services and promote healthcare education, ultimately benefiting the community and the region.

## The Power of Primary Education

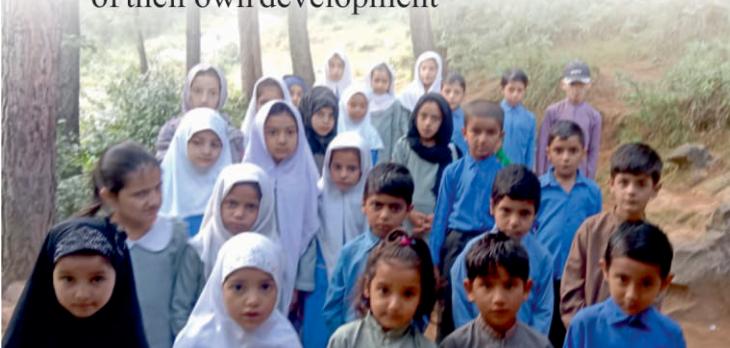

Primary education is the foundation upon which a child's future is built. It plays a vital role in shaping young minds, fostering curiosity, and laying the groundwork for future academic success. In many areas of Azad Jammu and Kashmir, however, access to primary education remains a challenge. Recognizing the transformative power of education, KIRF has made it a priority to establish primary schools in far-flung areas where they are most needed.

## KIRF's Vision

At KIRF, we believe that education is the key to unlocking the potential of individuals and communities. Our vision is to create a society where every child has access to quality education, regardless of their geographical location or socio-economic background. To achieve this, KIRF focuses on establishing primary schools in areas where they are most needed, with the aim of:

- Increasing access to education for children in underserved communities
- Delivering quality education that prepares children for future academic success
- Empowering communities to take charge of their own development

## Why Primary Education Matters

Primary education is essential for several reasons:

### Foundation for Future Learning:

Primary education lays the foundation for future academic success, preparing children for higher classes and extended learning in later years.

### Breaking the Cycle of Poverty:

Education is a powerful tool for breaking the cycle of poverty, enabling children to acquire the skills and knowledge necessary to secure better-paying jobs and improve their socio-economic status.

### Empowering Communities:

By educating children, we empower communities to take charge of their own development, fostering a sense of self-reliance and confidence.

By prioritizing primary education, KIRF is committed to creating a brighter future for the children of Azad Jammu and Kashmir.

During the year, 2024-25 KIRF continued to operate the following five primary schools.

# Vocational Training Centres

## Empowering Women through Vocational Training

In today's world, trained and technically equipped human resources are essential for sustainable national development. With women making up almost 50% of the population, empowering them through vocational and technical training is crucial for economic growth and social progress. Kashmir International Relief Fund (KIRF) recognizes the importance of vocational training in rural areas, where access to education and job opportunities is often limited.

## The Need for Vocational Training in Rural Areas

Rural areas face unique challenges, including limited access to education, job opportunities, and economic resources. Vocational training centres (VTCs) can play a vital role in addressing these challenges by providing women with the skills and knowledge necessary to secure employment or start their own businesses. By empowering women through vocational training, KIRF aims to:

- \* Enhance their economic independence and self-reliance
- \* Improve their socio-economic status and contribute to family income
- \* Increase their participation in the workforce and decision-making processes

## KIRF's Efforts

KIRF has established Vocational Training Centres (VTCs) in different rural and far-flung areas of the state, providing training and skills to local women. These VTCs are relocated to different areas when the potential for new students is exhausted, ensuring that KIRF's resources are utilized effectively. Every year, several women complete their training from KIRF VTCs and go on to:

- Work from home or establish their own businesses at local shopping centres
- Earn a reasonable income and share the burden of expenses with their families
- Contribute to the economic development of their communities

## Impact and Importance

KIRF's vocational training programme has a significant impact on the lives of women in rural areas. By providing them with the skills and knowledge necessary to secure employment or start their own businesses, KIRF is empowering them to take charge of their own development. This, in turn, contributes to the economic growth and social progress of their communities. By investing in vocational training, KIRF is investing in the future of women in rural areas, enabling them to become self-sufficient, confident, and economically empowered individuals.

On May 26, 2025, the Vocational Training Centre in Mian Muhammad Town, Mirpur, Azad Kashmir, celebrated a significant milestone with a certificate distribution ceremony for 28 female students who have completed their training in stitching and embroidery. This free-of-charge training programme is designed by KIRF to empower women with valuable skills.

The ceremony was honoured by the presence of President KIRF, Mehmood Ahmed Raza, as the chief guest, accompanied by Secretary Finance, Master Zulfiqar Ali, and Media Advisor, Haji Shahid Iqbal. The event commenced with the recitation of the Holy Quran and a Naat, setting a spiritually uplifting tone.

## KIRF Vocational Training Centre Certificates Distribution Ceremony

KIRF office bearers presented Certificates to the students who have completed the course, and sewing machines were generously gifted to students from underprivileged backgrounds, enabling them to further hone their skills.

President Mehmood Ahmed Raza congratulated the successful students on completing their course and wished them well in their future endeavours. In his address, he encouraged the students to utilise their newfound skills to establish their own boutiques or work from home, thereby contributing to their family's income. Master Zulfiqar Ali provided an overview of KIRF's mission and objectives, highlighting the organisation's commitment to empowering the communities. Haji Shahid Iqbal also congratulated the students.

## IV. EMERGENCY RELIEF

Natural disasters such as floods, earthquake, tsunamis, or storms are catastrophic loss of human life, and affects infrastructure. Floods cause devastating effects on property, destruction of crops, loss of livestock and deterioration of health conditions owing to waterborne diseases. These disasters can also traumatised victims and their families for long period of time.

Similarly, the destructive effects of earthquakes cause landslides, tsunamis, fires and fault rupture. The violent shaking of the ground produces the greatest property and personal losses and injuries. In any of the above situation's victims are required immediate relief and afterwards rehabilitation.

The 2022 floods submerged one third of the country, affecting 33 million people, half of them were children. The floods damaged most of the water systems in affected areas, forcing mostly population to rely solely on contaminated water from ponds and Wells. Unsafe water and poor sanitation are key underlying causes of malnutrition.

Kashmir International Relief Fund (KIRF) immediately arranged a team of volunteers headed by Haji Shahid Iqbal Secretary Information KIRF with medical staff to travel to Rajanpur District. The team focused on the different villages of Union Council Janpur. Victims were provided medical treatment and meals for twelve days. Team has also arranged spray to kill mosquitos. The victims were provided mosquito nets and lotion to protect them from malaria. About 50 hand pumps were installed in different villages to provide clean drinking water and 50 families were provided a shelter of one constructed room to each family, with the financial support of donors.

## V. WATER SUPPLY SCHEMES

Safe and readily available Water is important for public health, whether it is used for drinking, domestic use, food production or recreational purposes. Improved water supply and sanitation, and better management of water resources, can boost countries' economic growth and can contribute greatly to poverty reduction.

Keeping in view its importance, KIRF has been creating awareness especially in the wealthy and highly Blessed members of the community to donate for making arrangements of clean water in those areas, where clean water is generally not available. The water schemes already established by KIRF in different areas at different times in Azad Kashmir have played a considerable role in resolving the issue of clean water. The water projects built by KIRF in such a way that not only human beings are being benefited but also very useful for the animals and irrigation purposes.

Pakistan's 2022 monsoon season produced significant rainfall, devastating floods. The floodwater contained sewage and other contamination caused serious health issues. KIRF management sent a team in effected areas of District Rajanpur, where the team arranged to install 50 hand pumps in different villages to provide clean drinking water to the flood victims.

## Commissioner Mirpur Division's Visit To KIRF Community Hospital & Kidney Dialysis Centre Jatlan.

On September 7, 2024, Commissioner Mirpur Division, Government Of Azad Jammun and Kashmir, Ch. Shoukat Ali, Visited KIRF Community Hospital and Kidney Dialysis Centre Jatlan, accompanied by Malik Amanat Ali from Bristol, UK. The Medical Director Dr. Abdul Qudus Akhtar and members of KIRF warmly welcomed them.

During his visit, the Commissioner interacted with patients and reviewed the medical services provided by KIRF. Expressing satisfaction with the services, he noted significant improvements since his previous visit, highlighting the induction of new departments. He particularly appreciated the free kidney dialysis services for patients with kidney failure.

The Commissioner praised KIRF's efficient use of donations, assuring that every penny is rightly spent on supporting poor families. He encouraged the public to support KIRF, enabling the organisation to better serve the underprivileged community.

Mr. M. D. Tahir, former Senior Vice President highlighted the financial burden of kidney dialysis, noting that each session costs about Rs 7000, making it inaccessible to many impoverished patients. The KIRF Kidney Dialysis Centre's free services are thus a vital lifeline for those in need.

Mr. M. D. Tahir thanked the Commissioner for his visit and acknowledged the contributions of donors, particularly Malik Amanat Ali from Bristol, whose efforts enabled the completion of the structure of the second storey's building construction. KIRF's commitment to providing quality medical care to poor patients was reiterated, highlighting the organisation's reliance on donations to sustain its services.

## Visit of Raja Muhammad Ilyas To KIRF Community Hospital and KIRF Kidney Dialysis Centre Jatlan.

On October 17, 2024, Raja Muhammad Ilyas, Secretary General Of Waltham Forest Islamic Association London and Trustee of Paktrust London, Visited KIRF Community Hospital and Kidney Dialysis Centre Jatlan. He was accompanied by Raja Aamar Habib. The Visit was also attended by Chairman KIRF, Ch. Rashid Ali, President KIRF Mehmood Ahmed Raza, and other members.

During the Visit, President KIRF briefed Raja Muhammad Ilyas on the services offered to patients and ongoing extension of the second storey building of the kidney dialysis centre. Expressing satisfaction with the medical services, particularly for kidney failure patients, Raja Muhammad Ilyas praised the high standard of care, noting that the services were compared to those in major hospitals, despite the centre's rural location

He extended gratitude to the donors who enabled KIRF to provide such services and appealed for further financial support, citing the increasing number of kidney patients. Raja Muhammad Ilyas also commended the construction progress of the second storey building, thanking the Muslim Community of Bristol, especially Malik Amanat Ali and Mr. Abdul Raoof Malak, for their funding commitments. He noted that 75 % of the promised funding had been fulfilled and encouraged further fundraising efforts to complete the project.

Raja Muhammad Ilyas reaffirmed his commitment to supporting KIRF, promising to continue his support in future.

## Visit of Ch. Muhammad Rizwan (CEO of Seven Stars Group) to KIRF Community Hospital, & Kidney Dialysis Centre Jatlan

On November 5, 2024, Ch. Muhammad Rizwan, CEO of Seven Stars Group, visited KIRF Community Hospital and Kidney Dialysis Centre Jatlan, accompanied by prominent businessmen Ch. Sabar Hussain, Abdul Hafeez, and Muhammad Maqsood Awan from Muzaffarabad. The visitors were warmly welcomed by Chairman KIRF Ch. Rashid Ali, President Mehmood Ahmed Raza, Medical Director Dr. Abdul Qudus Akhtar, Kidney Dialysis Centre's Incharge Dr. Adeel Zaman, members, and volunteers of KIRF.

During the visit Ch. Muhammad Rizwan inspected the under-construction first floor building of Kidney Dialysis Centre and interacted with patients. President KIRF briefed about KIRF's ongoing and future projects, while Medical Director Dr. Abdul Qudus Akhtar highlighted the medical services provided to patients, emphasising that all poor patients receive free treatment, including kidney dialysis, blood transfusion, and medication.

Ch. Muhammad Rizwan expressed appreciation for KIRF's efforts in serving the underprivileged segment of society, stating that he was unaware of such initiatives in the area. He pledged to support KIRF and promised to bring members of the Chambers of Commerce to witness KIRF's projects firsthand.

## Lieutenant General ® Asif Mumtaz Sukhera Vice Chancellor of Mohi-ud-Din Islamic University to KIRF Community Hospital, & Kidney Dialysis Centre Jatlan

On December 10, 2024, Lieutenant General (R) Dr. Asif Mumtaz Sukhera, Vice Chancellor of Mohi-ud-Din Islamic University, along with Brigadier (R) Dr. Muhammad Ilyas, Vice Principal, and Dr. Khalid Faiz, Medical Superintendent of Mohi-ud-Din Medical College, visited KIRF Community Hospital and KIRF Kidney Dialysis Centre Jatlan. They were welcomed by Dr. Adeel Zaman, Incharge of the Kidney Dialysis Centre, and Dr. Abdul Qudus Akhtar, Medical Superintendent of KIRF Community Hospital Jatlan.

During the visit, they met with patients and reviewed the facilities provided. The guests expressed their concern, appreciated the ongoing services of the hospital, and showed interest in collaborating with KIRF Community Hospital Jatlan to provide enhanced medical facilities to the people of District Mirpur.

## Visit of Mr. Abdul Rauf Malik Qureshi (Councillor from Bristol) to KIRF Community Hospital and Kidney Dialysis Centre Jatlan.

On April 14, 2025, Mr. Abdul Raoof Malak Qureshi, a Councillor from Bristol, Visited KIRF Community Hospital and Kidney Dialysis Centre Jatlan. He was warmly welcomed by President KIRF, Mehmood Ahmed Raza, Medical Director Dr. Abdul Qudus Akhtar, members, and volunteers of KIRF.

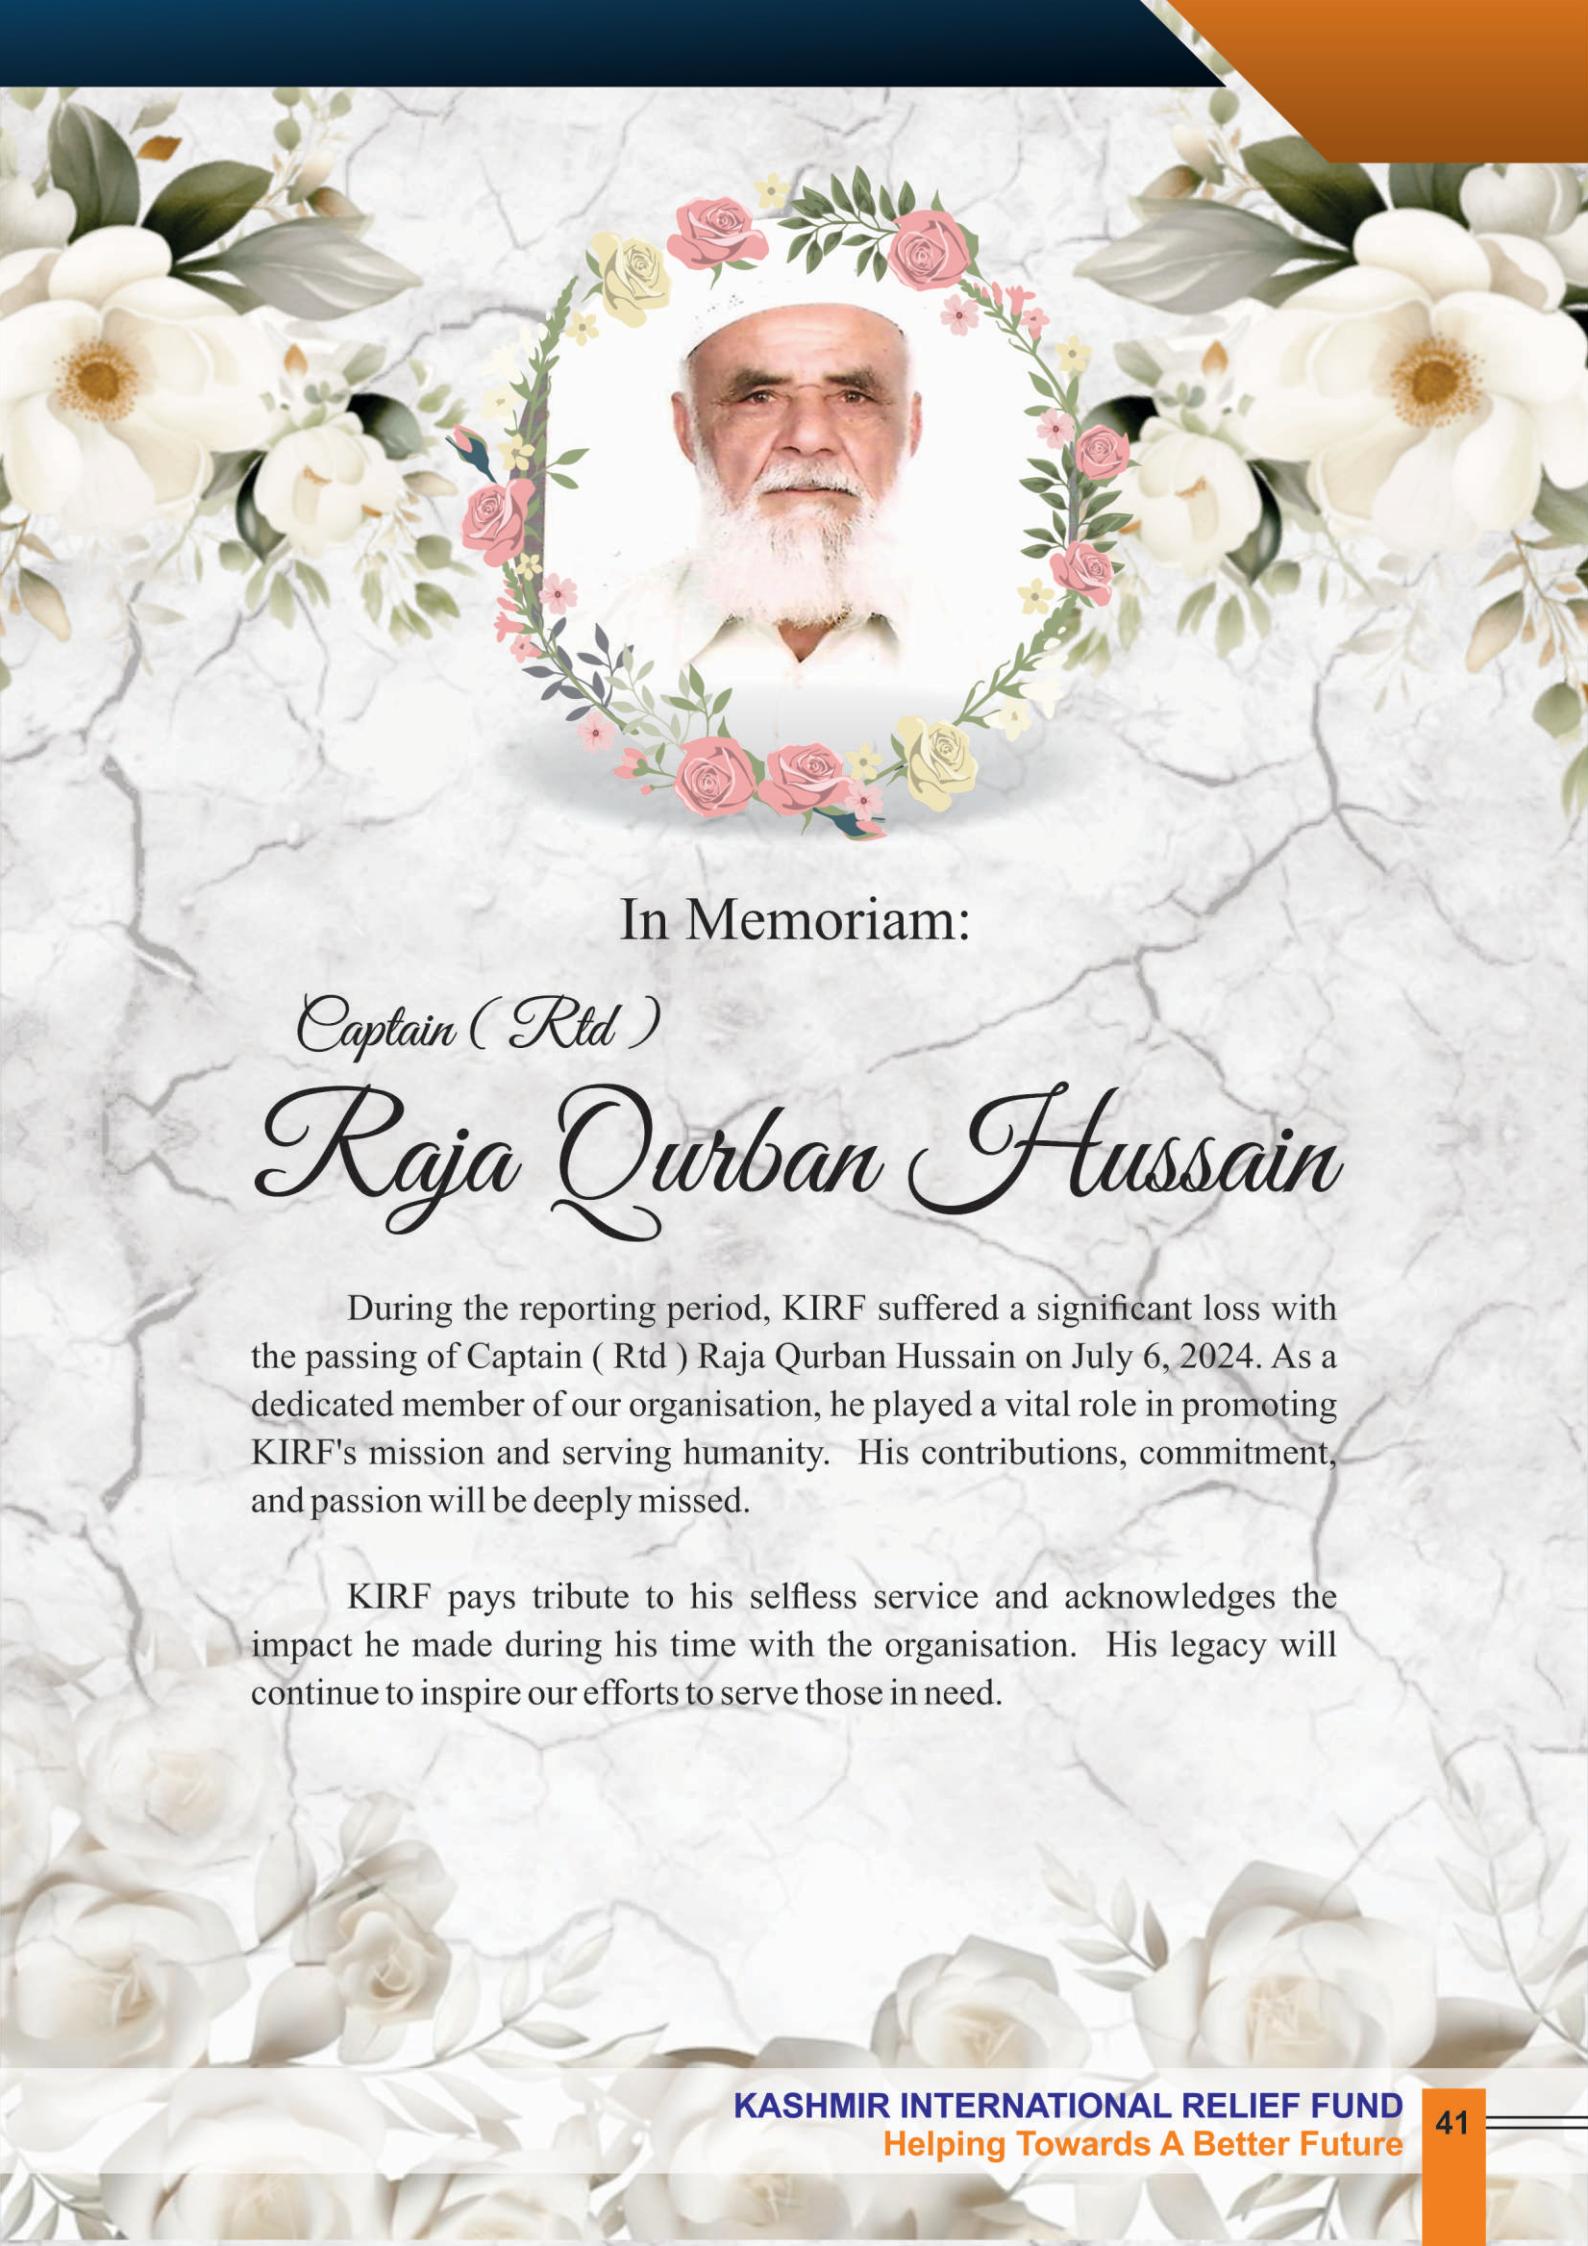

During his visit, Mr. Abdul Raoof Malak Qureshi reviewed the medical services, particularly the free kidney dialysis services for patients with kidney failure, and expressed satisfaction with the dedicated team handling the services. He also inspected the construction of the first-floor building of the kidney dialysis centre and commended the progress.

Mr. Abdul Raoof Malak Qureshi thanked the Bristol Muslim Community for their donations, facilitated through his and Malik Amanat Ali's efforts, and appealed for further support to complete the project. He emphasised the importance of sustaining the Kidney Dialysis Centre, highlighting the increased number of kidney-related illnesses in the area following the earthquake.

Noting the centre's impact on patients lives, Mr. Abdul Raoof Malak Qureshi expressed pride in seeing the donations and prayers from himself and the community making a difference. He was deeply moved by the dedication of the staff and volunteers and suggested generating funds for the centre by utilising the first-floor building.

During his visit Mr. Abdul Raoof Malak Qureshi handed over a cheque for Rs One million to President KIRF, being donation from the Bristol Community for first-floor construction. President KIRF thanked the Bristol Community, especially Mr. Abdul Raoof Malak Qureshi and Malik Amanat Ali, for their continued support.

In Memoriam:

*Captain ( Rtd )*  
***Raja Qurban Hussain***

During the reporting period, KIRF suffered a significant loss with the passing of Captain ( Rtd ) Raja Qurban Hussain on July 6, 2024. As a dedicated member of our organisation, he played a vital role in promoting KIRF's mission and serving humanity. His contributions, commitment, and passion will be deeply missed.

KIRF pays tribute to his selfless service and acknowledges the impact he made during his time with the organisation. His legacy will continue to inspire our efforts to serve those in need.

## For Financial and In-Kind Support

Kashmir International Relief Fund (KIRF) is grateful for the trust and support of our donors, which enable us to continue our mission of surviving the poor and underprivileged segment of society in rural and far-flung areas of Azad Jammu and Kashmir.

As we reflect on the past year, we are proud of the progress we have made in providing essential services, including education, healthcare, and skill development. However, we recognise that much work remains to be done, and we rely on the generosity of donors to support our initiatives. Your Support Makes a Difference

### Your donation can help us:

- \* Continue to provide free primary education, skill development to women, and healthcare services to those in need.
- \* Support our Kidney Dialysis Centre and provide life-saving treatment to patients with kidney failure.
- \* Develop the skills of local youth through our Paramedics and Nursing Teaching Centre project.
